

We are thrilled to be heading to the USA for our annual fundraising bike ride.

Participants will cycle over six days, taking on part of the East Coast Greenway from Washington DC to New York City; a 400-mile challenge and experience that will create unforgettable memories and forge friendships .

Join rugby league Hall of Fame and Lion legends Adrian Morley and Paul Sculthorpe MBE for this exciting adventure.

Money raised will support seriously injured players via the Benevolent Fund and develop the great work Rugby League Cares does around brain health in the sport.
